

GREEN CAVE 2021-2022

It is said that nature is the best teacher. It teaches us survival of the fittest and nourishes us in all aspects. Nature has endowed us with incredible assets like biodiversity and natural resources. The conservation of both Flora & Fauna has become the need of the time. It's our responsibility to leave this planet in better shape for the future generation than we found it.

On this call of nature, Ansar Women's College formed and inaugurated Green Cave – Nature Club on 3rd October 2019 by the chief guest Dr.Sreenath S. Green Cave, as the name suggests focuses on the need to provide shelter and protect all creatures as well as create an awareness among the students, faculty and staff about nature and related issues. The Club is the convergence of nature lovers, from various departments of AWC to promote, monitor and operate the environmental and sustainable activities in the society, starting from college campus with the novel objectives of facilitating the skill development for environmental protection, promoting the need to provide shelter to animals also and spreading awareness of the same among students.

OBJECTIVES:

- To sensitize, motivate and educate students and staff about environment conservation.
- To create awareness among society about the environment and related issues.
- Encouraging efforts to protect and conserve biodiversity in vicinage.
- Executing small scale projects within the campus.
- Contributing in environment awareness and conservation drives in collaboration with regional nature clubs and institutes.

COMMITTEE MEMBERS:

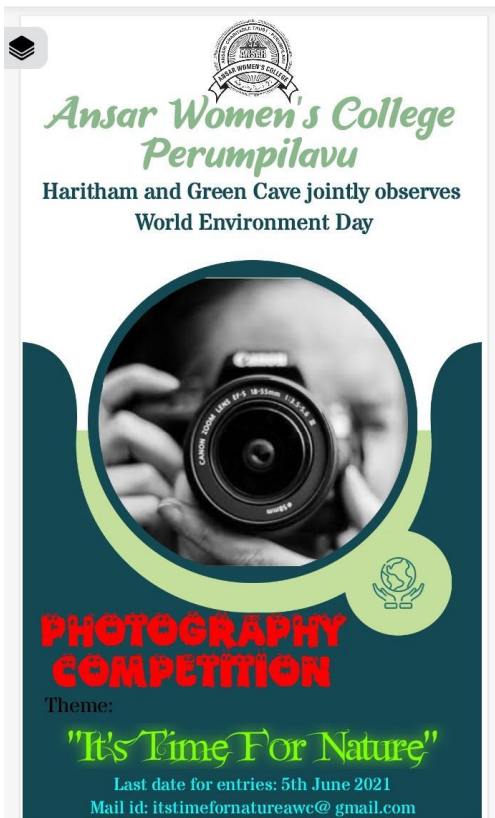

- Staff Co-ordinators: Ms. Fouziya.N. A & Ms. Megha N S
- Student Co-ordinators: Shafna V(S6 BSc MATHEMATICS) & Gladis (S6 BSc MATHEMATICS)
- Number of members: 141

JUNE 5 : OBSERVATION OF WORLD ENVIRONMENT DAY

PHOTOGRAPHY COMPETITION

"Green Cave " and "Haritham" of Ansar Women's College jointly conducted an Online Photography Competition among the college students on 5th June 2021 as a part of observing World Environment Day. The Theme of the competition was "It's Time for Nature". The COVID-19 pandemic has spread around the world at lightning speed, killing hundreds of thousands of people and infecting millions. International scientists point to a direct link between the destruction of nature and disease outbreaks — spotlighting the role of protecting and restoring nature in preventing future pandemics. This shows the relevance of our theme in the current pandemic situation. Total 57 students participated in the competition. Photographs were evaluated after the submission period ended. Raheena P Y of S5 B.Com Tax and Fathima Shafna K of S5 B.Com CA got first and second prize in the photography competition. The students of various departments of the college actively participated in the competition and the photographs sent by them shows their love towards nature and their real passion toward photography. The main concept behind observing World Environment Day is to focus on the importance of the environment and to remind everyone that the environment should not be taken for granted.

OBSERVATION OF WORLD NATURE CONSERVATIONS DAY QUIZ COMPETITION AND E-MAGAZINE RELEASE

"Green Cave" of Ansar Women's College released an E-magazine and conducted an online Quiz competition among the college students on 28th July 2021 as a part of observing World Nature Conservation Day. It is observed to raise awareness about a healthy environment as the premise of a stable and healthy society. Every human being is responsible for the conservation of nature and each individual must participate in protecting the environment. The theme for World Nature Conservation 2021 is "Forests and Livelihoods: Sustaining People and Planet". The objectives of green cave club are: 'No job is too big, and no action too small, the care of our earth is a job for all of us', 'To create nature of compassion for all the living organisms in the environment', 'To make students understand about ecological balance', 'To create awareness for the students on the environment which includes the flora and fauna'. Released the E-Magazine "ESPERANZA" (means to hope) at 10 AM in the college group . The theme of the magazine is "Endangered species and giving equal importance to Flora and Fauna". The quiz competition is held at 5 PM through google forms that circulated through the Whatsapp group which was created for this quiz competition. Risna usman -S5 physics, Najah Hameed-S2 psychology, Safa Sulfeeker-S5 b.com finance equally shared first prize and Sreelakshmi-S2Bca, Shafna V-S5 Mathematics, Afiya N A-S2 Bcom CA equally shared 2nd prize. E-Certificate were provided for the winners. The students of various departments of the college actively participated in the quiz competition. Total 48 students participated in the quiz competition. The main concept behind observing World Nature Conservation Day is an annual reminder that we share the planet with millions of species of flora and fauna that we must respect and make every effort to preserve them.
