

**Report of the Minority and OBC Cell during the Academic
year
2022-2023**

“Every student has a right of education” by following the fact Minority cell is committed to provide an environment regardless of colour, disability, genetic information, national origin, race, religious belief, sexual orientation, culture or veteran status. Minority cell also commits to ensuring protection of everyone including minorities and acting as per the provisions of constitution of India in such matters. Minority cell of the college was established with the purpose of empowering the minority communities in the college. As a Muslim Minority Educational Institution, Ansar Women’s College, Perumpilavu has been very much keen to provide services to the educational and cultural needs of the Minority community along with students of other caste, creed and Nationality. The Minority Cell basically helps minority students including Christian, Muslim etc. for their academic development.

OBJECTIVES

1. To enhance equal opportunities for education of minorities.
2. To bring the students of the minority community, at par with the mainstream student body.
3. To facilitate financial support to students from minority communities from self body, governmental agencies and other sources.
4. To aware the minority students regarding various scholarships program of Muslim Education Society, State Government and UGC
5. To ensure provisions for an environment where all such students feel safe and secure.
6. To encourage enrolling for career orientation programs which would empower and equip them with the necessary skills to choose career options.
7. To ensure protection and reservation as provided in the constitution of India.
