

ANSAR WOMEN'S COLLEGE, PERUMPILAVU

SSP AND REMEDIAL COACHING

ANNUAL REPORT 2018-19

The college offers special attention to weaker students, especially those coming from socially and economically backwards. Remedial coaching sessions are held throughout the year for them. The system of remedial teaching is practiced to make up the deficiency of slow learners especially from the disadvantaged group. The extra intelligent students of the same class are advised to assist their less privileged class mates. The co operation of the parents is sought for conducting remedial classes on holidays for weak students.

Ansar Women's College, affiliated to the Calicut University has successfully conducted the Remedial Coaching programme for the academic year 2018-2019. New remedial coaching committee was formed on 20-06-2018 and prepared the entire plan and time table. Maximum priority was given to the students belonging to the SC, ST, OBC and OEC categories. It has received whole hearted support from all departments of this college.

‘Scholar Support Programme’ programme targeted the regular and non – self financing courses of affiliated colleges . We can’t provide this initiative to our students as ours is a self financing college. To bridge this gap , we provide programmes to slow learners and advanced learners with the help of management.

High performing students are identified on the basis of internal assessment, university examination, involvement in the classroom. Various club activities are conducted by all the Departments in the respective areas to mould the students in corresponding field. Bright and diligent students are motivated and inspired to get university ranks.

A Language Acquisition Skill Programme provided to students. The session was handled by Ms. Anu Chandra mohan , Assistant Professor , St. Maries College, Thrissur. On 26th September 2018, a class was provided on topic “ Introduction to Adobe Software “. The session was handled by Ms. Nishana , Assistant Professor, Ansar Womens College, Perumpilavu.It was beneficial for students.
