

ANSAR WOMEN'S COLLEGE, PERUMPILAVU

SSP AND REMEDIAL COACHING CELL

ANNUAL REPORT 2019-2020

The college offers special attention to weaker students, especially those coming from socially and economically disadvantaged backgrounds. Remedial coaching sessions are held throughout the year for them. The system of remedial teaching is practiced to make up the deficiency of slow learners especially from the disadvantaged group. The extra intelligent students of the same class are advised to assist their less privileged class mates. The co-operation of the parents is sought for conducting remedial classes on holidays for weak students.

Ansar Women's College, affiliated to the Calicut University has successfully conducted the remedial coaching programme for the academic year 2019-2020. New remedial coaching committee was formed on 13-06-2019 and prepared the entire plan and time table. Maximum priority was given to the students belonging to the SC, ST, OBC and OEC categories. It has received whole hearted support from all departments of this college.

Committee Members

Member	Ms.Anagha	Assistant Professor (Psychology)
Member	Ms.Bindhu M S	Non Teaching

‘Scholar Support Programme’ programme targeted the regular and non – self financing courses of affiliated colleges . Ansar Women’s College is a private self financing college . So we can’t provide this initiative to our students. To bridge this gap , we provide programmes to slow learners and advanced learners .

High performing students are identified on the basis of internal assessment, university examination, involvement in the classroom. Various club activities are conducted by all the departments in the respective areas to mould the students in corresponding field. Bright and diligent students are motivated and inspired to get university ranks.
