In the name of Allah, I take great pleasure in presenting the Annual Report of Ansar Women's College documenting its developments and achievements. The year 2016-17 was marked with many events and success stories. This can be attributed to the dedication and team spirit of the members of the management, staff and students. Fourteen years for an institution is a worthy stage where one can start matching expectations with results, objectives with achievements and above all, blessings enjoyed with difficulties & hardships endured.
