## Annual Report of Cookery Club 2023 2024

Cookery club of Ansar Women's College conducted four programs in this academic year according to the action plan. The club through its innovative and exciting events once again proved that it is one of the best clubs of our college. This time the activities not limited around cooking rather widened its scope to member's individual talents, physical and mental health.

### Membership

Contrary to previous year this time membership was only open to those who have genuine interest in cooking. More than hundred members were admitted in this academic year. Sanha of S3 Psychology was elected as the club president.

### Activities and Events

#### 1. Paayasam Making Competition

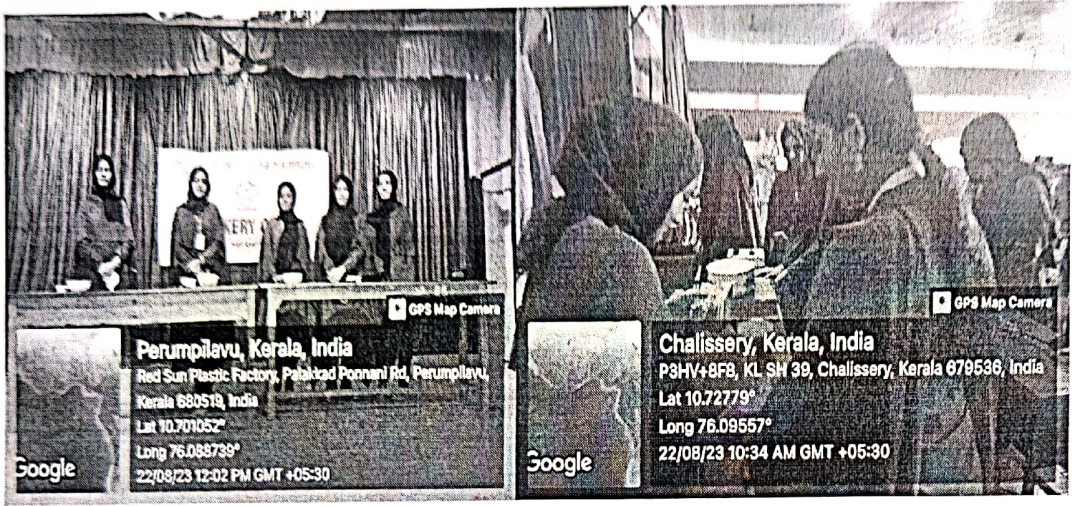

The first program of the club was Paayasam Making competition which was held on 22/08/23 at the college auditorium. Five teams were participated, in which first prize was

bagged by BA English and BA M C teams. Wide variety of gheer was the major attraction of the event such as carrot paayasam, carrot dates paayasam, pumpkin paayasam and paalada paayasam. Judges appreciated the enthusiasm and effort of students. This program comes under in house program of the club.

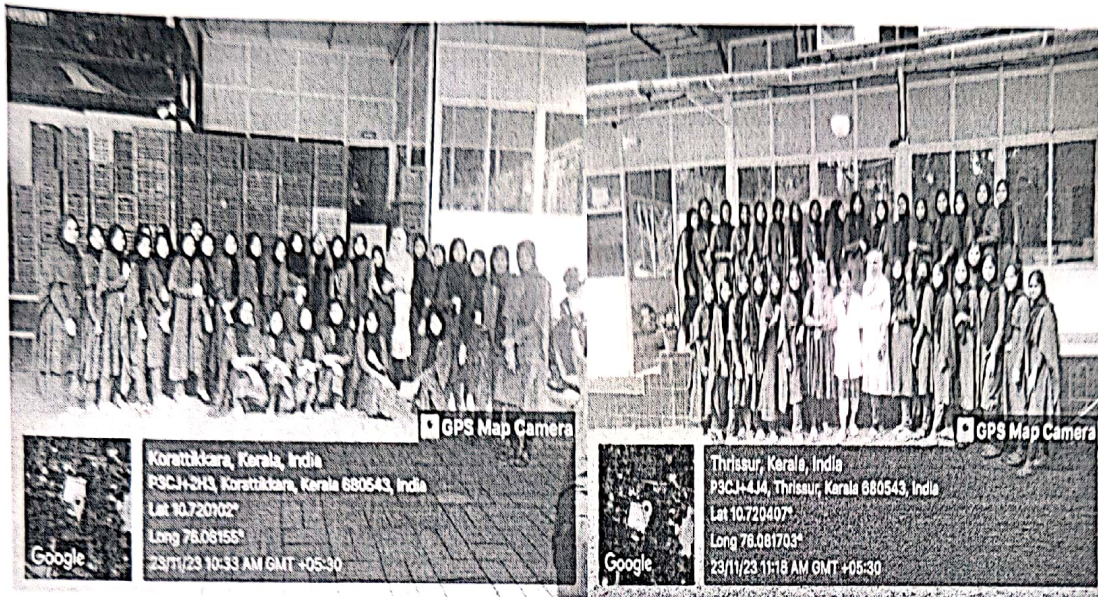

## 2. Ice Cream Factory Visit

The second program of the club was an Out House Program titled as Ice Cream Factory Visit. The visit was organized on 23/11/23 to Vattamavu Lazza Ice Cream Factory. Thirty students were selected for the program. Along with the students two teachers Hassena K and Shamna M S club mentor both from English Department accompanied. The staffs of the factory first showed the packing session, where printing of various kinds of ice cream happened. Then they showed the storage area, where we witnessed bundles of raw materials. After that we were moved to the strong room where the finished products were kept. As an out house program it was a novel experience for students. Hence, many of them visited an ice cream factory for the first time

### 3. Cake Frosting Workshop

The third program of the club was Cake Frosting Workshop. The program was conducted on 13<sup>th</sup> December 2023 at 10.00 AM in the College Auditorium. We were lucky enough hence Haseena K Assistant Professor of English Department of our own college is a homemade baker. She started the session with basic information behind cake baking. She explained all the procedures in detail. From mixing dry ingredients to baking and frosting. Mam, explained how to beat whipping cream also hand over two half k.g cakes for students to layer, spread the cream and final touch. The session was informative and worth for the club members.

#### 4. Karate Basics

The last program of the club of this academic year titled as Karate Basics which comes under Day Observance of Girl Child Day. The program was conducted on 23/01/2024 at the Prayer Hall. Seventeen club members participated in the program. Good food and good health is essential for a better life. This notion was the reason behind the program. We are fortunate because Miss Manju Krishna V.R Assistant Professor of English Department from our own college is a renowned personality in Karate she often participated in tournaments as judges. Mam started her session with a detailed talk on Karate, and then detailed about its principles, impacts and relevance.

## Financial Report

The club's finance mainly accumulated through member's contribution and admission fee. And it was wisely used for each program and activities. A detailed financial statement too maintained.

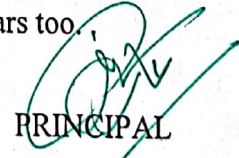

## Future Plans

Future goals is mainly focused around innovation and fostering of member's development. Competitions, workshops, seminars will be followed along with other culinary activities. We also expect to expand the realm more to nurture and improve the good will of the club.

## Conclusion

In conclusion, 2023 was a fantastic year for club. The four programs were enough to substantiate the strength of the club. Members's enthusiasm and club president Sanha's effort are truly commentable. We believe we could continue the level in upcoming years too.
